Britannia

The nationwide network

Memb No: B004

The right choice for you

As the UK's largest independent moving group, Britannia has helped tens of thousands of families and individuals move home throughout the UK. Established more than 30 years ago, Britannia Movers are a unique Group with a passion for professional customer service based on a blend of the Internationally renowned Britannia brand allied to friendly, local, family owned companies. In addition to being full members of the British Association of Removers (B.A.R.), Britannia have full accreditation to quality assurance policy BS EN 12522 which demands consistently high quality service and operational standards, which are continually audited by independent quality assessors.

Such qualification and membership status gives you confidence that you are dealing with the UK's market leaders in household removals. Britannia have over forty locations throughout the UK and will provide a highly organised domestic moving service that puts the customer first.

Britannia's network of family owned branches have the expertise and local knowledge to provide you with a stress free removal, whether moving locally or internationally.

Britannia

Complete range of packaging

The right move for you

Britannia will provide the service that you require. Our attention to detail and unrivalled customer service begins with a household survey visit to your property. This allows your local Britannia office to establish the size, specification and resources required for your removal. It allows us to assess your needs and for us to tailor our range of services to your precise requirements.

Our professionally trained Surveyors will listen to you, answer your questions and provide you with the peace of mind that you need to reassure you that come what may, Britannia will do our best to ensure you enjoy a smooth removal.

Following your survey, Britannia will provide you with a quotation based on your exact needs, offering a quality service in line with your budget and expectations. In order to ensure that Britannia's services are right for you every time, Britannia makes sure that all staff receive the highest level of removals training from our dedicated training centres.

We offer a full packing service to make your move as 'stress-free' as possible. Our fully trained staff are expert in all aspects of packing and wrapping, from your best china, your children's toys to your pride and joy your plasma TV! We use clean, environmentally friendly packing materials that are designed to protect your belongings during the move to your new home. Our specialist packing materials can also be made available to you should you wish to undertake your own packing.

Britannia

Well trained, professional staff

Perfect preparation

With Britannia, you can be confident that you have chosen the best moving company for you and your family. Britannia Movers and its staff appreciate our privileged position that we are handling and moving our customers' belongings and that the utmost care and respect is necessary.

During your move, we will take care to protect your home and its contents with a wide range of specially designed protective covers. Our friendly and courteous staff will give you all of the advice and guidance you need, from your initial call to the moment you open your new front door, following another successful move by Britannia.

Britannia staff will do everything they possibly can to make your move a comfortable experience. Following our Surveyors initial visit we will create a detailed move plan based on exactly what you require moving and advise whether the removal crew need any special equipment or materials to move large or unusual items. We will make sure that the removal of every single item in your home is included in the plan, even things tucked

out of sight in loft spaces or cupboards. Because we've planned your move with you in such detail our team of removers will be fully briefed and will arrive at your home with everything that they need to pack and move your belongings safely and efficiently.

Britannia Movers' aspiration is to deliver an impeccable service to every customer and make each customer a customer for life.

Britannia

Looking after your move

Safe and Secure Storage

During the process of your removal, Britannia is fully aware that storage may be a requirement for a period prior to delivery. Secure, short or long term storage can be provided by Britannia. The warehouses are specially designed for containerised storage to minimise handling and to keep your goods clean, dry and secure.

On completion of packing up your goods at your property a detailed inventory listing your belongings and describing their condition will be produced and a copy left with you. The majority of items in your home will fit into our standard storage units, however oversized items such as ladders, carpets and large sofas may be stored separately. Britannia are able to collect your belongings from your home and load them into our specially designed storage containers.

On arrival at our warehouse, the containers are positioned within their allocated storage spaces. In most cases these containers will not be opened again until they arrive at your new home. Access to possessions can however be

arranged with your local office whilst the goods are in store. Britannia have over forty modern, secure storage centres throughout the United Kingdom, including self storage and in some cases mobile self storage. Please ask your local office for full details.

Helpful Information - Preparing for your move

Three Weeks Before

Arrange childcare for your moving day - although older children may well want to be involved in your move, you may decide that it will be less stressful for younger children, and for you, if you arrange for them to go to relatives or friends on the moving day itself.

Make arrangements for moving your pets - moving can be very disruptive for pets so you may want to ask your vet for specialist advice on taking care of your animals to avoid distressing them.

Clear out unwanted belongings - planning a fresh start in your new home is an ideal time to have a good clear out of any unwanted belongings. Local charity shops will welcome smaller items such as books, ornaments or clothing. You should also be able to find local furniture recycling charities who will collect items you do not want to take to your new home. You can also speak to your Britannia representative as Britannia support various local and national charities.

Start emptying your freezer - remember that your freezer will need to be empty and defrosted before your move so try to use up as much of its contents as you can to avoid unnecessary waste.

Two Weeks Before

Arrange for meter readings and service disconnection/connection - Contact your essential service providers and notify them of your move. You will need to arrange for water, gas and electricity readings at your present home on the day of your move. You also need to make sure that all the services at your new home are connected on the day you move in.

Transfer your phone number - have your telephone number transferred or changed if necessary and arrange for your final bill to be sent to your new home.

Get advice on aerials/satellite dishes/digital cable/broadband transfer - It is possible that your aerials/satellite dish/cable/broadband services may not be suitable in the area you are moving to. Get specialist advice from your current supplier about the most efficient and cost effective transfer and instalment for your new home. If your email/telephone/TV service is all with the same provider you can arrange a complete transfer via the same call.

Arrange for your post to be redirected - Contact Royal Mail if you want to have your post redirected to your new home. They need at least five working days notice to arrange the service and you can have post redirected for between one month and two years.

Organise the disconnection and reconnection of domestic appliances - organise for a qualified plumber, electrician or gas fitter to disconnect your appliances (washing machine, cooker, gas fires etc) in your present home and reconnect them in your new home.

Two Days Before

Defrost your fridge and freezer - empty and defrost your fridge and/or freezer. You need to make sure that they are defrosted at least 24 hours before removal because moving them while still frozen can damage them.

Cancel deliveries - cancel any regular deliveries you have to your present home, like newspapers or milk.

The Day Before

If you have a lot to move, or if time will be limited on your moving day, we may need to begin packing your belongings on the day before your move.

Prepare as much as possible to make packing on your moving day easier.

To make your moving day run as smoothly as possible, you should prepare some things in advance.

You can usually leave drawers and trunks with their contents intact, provided there are no breakable items inside. Don't completely fill large chests or trunks with heavy items such as books.

Liquids, oils and paints must be placed into sealed containers. We cannot transport flammable substances for you so you'll need to make sure that any petrol mowers, paraffin fires etc are drained before we can move them.

Unless included as an extra service in your moving plan, you should take down curtains or blinds and pack them ready for the removal team.

Household plants need to be transported in containers to protect them during the move. Although we'll do everything we can to move them safely, any tender plants may become damaged in transit because of their fragile nature as well as the effects of extreme temperature change.

Small furniture keys, nuts/bolts and fixtures and fittings can easily go astray so leave them with the item of furniture and the removal team will secure them to each unit.

Put together a 'do not remove pile' - start putting aside the essential things that you will not want us to remove such as coats, handbags, snacks and cleaning materials.

Some small valuable items such as jewellery, watches, trinkets, money, bonds, coins, stamps etc are not covered by removers insurance. Pack these separately and take them with you.

THE BIG DAY

Last minute essentials - Your moving day has finally arrived. You can leave the hard work to us, but you will need to take care of a few essential things yourself.

Make sure that all the meter readings you have pre-arranged are taken, leave a copy at your old home and keep a note of the readings yourself.

If nobody is moving into your old home straight away, make sure that the power and also the water supply is turned off.

Make sure that your old home is secured, closing and/or locking all doors and windows.

Drop your keys at the estate agents if you need to.

Make sure you have exchanged contact numbers with our removal team and, finally, arrange an approximate time to meet them at your new home.

Time to get a move on

If you would like to receive any removals advice or arrange for a Britannia Movers representative to visit your property, simply contact us via our telephone number or email address. Once contacted Britannia's local office will arrange the next step based on your needs. Our office staff and Surveyors are here to help you and provide you with professional guidance.

Britannia have the depth of experience, sound advice, practical assistance and good old fashioned courtesy to help you enjoy a smooth seamless transition from old to new home anywhere in the UK.

The BAR Code of Practice

What is the Code of Practice?

The British Association of Removers Code of Practice is the only code in the moving industry that's approved and monitored by the Office of Fair Trading under its Consumer Codes Approval Scheme.

All BAR members abide by the Code that dictates the standard of service you will receive, the quality of the materials used, the standards of vehicles and warehouses, staff training requirements and what will happen if something goes wrong. Most importantly the Code requires BAR moving companies to deal with you in a courteous and sympathetic way at all times.

Every BAR member makes the following key commitments:

We promise to act fairly and reasonably with you and uphold all the standards contained in the Code. Our key commitments are:

- To make sure that our advertising and promotional literature is clear and not misleading
- To provide you with a clear description, price and timetable for the work carried out
- To offer insurance or other protection options
- To explain clearly our liability for loss or damage, the time limit for making claims, and cancellation/postponement rights and charges
- To provide staff who are courteous, competent, and committed to providing a high standard of service
- To deal quickly & sympathetically with things that go wrong
- To publicise this Code, have copies freely available and make sure our staff are trained to put it into practice.

Memb No: B004

Financial Protection

The Code says that if your BAR remover cancels a removal more than 10 days before the agreed date for the work it must pay you back everything you paid to them. If it cancels less than 10 days before the agreed date it must pay you 150% of the monies paid. This means that you can be confident that your BAR remover will arrive to do the work on the agreed date.

If your BAR member is not able to do the work on the agreed day or pay the 150% refund, the BAR Pre-payment Protection Scheme will be speedily activated to have the work completed by another member or provide you with a full refund.

If something goes wrong

If you have a complaint about the service your BAR member will try to resolve it fairly, quickly and efficiently. If it can't settle your complaint to your satisfaction you may refer it to the BAR's FREE Conciliation Service on consumer.affairs@bar.co.uk Tel: 01923 699486

If you are still not satisfied a low-cost, independent arbitration scheme is available operated by the Chartered Institute of Arbitrators.

OFT Monitoring

The Office of Fair Trading monitors the performance of all BAR members, to make sure that they are operating within the BAR Code of Practice and that the Code is working properly in the customers' interests. You can help by completing the customer satisfaction survey your BAR remover will give you.

The best move you'll ever make...

Family companies, local knowledge, global reach.
