Welcome To Britannia In Chile

Britannia In Chile

Britannia can offer you a door to door service to Chile, and can either ship your effects by sole use container, or for smaller shipments in a wooden crate (LCL). In addition we can offer a door to door airfreight service to some destinations in Chile. Our agents in Valparaiso will arrange customs clearance, and deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Returning citizens normally pay an importation franchise of US\$500 and 1% CIF tax on effects, unless retiring, in which case the shipment may be duty free. Non citizens need a one year work permit/Visa. They may import effects up to a value of US\$5000 at a 1% duty rate. Shipments over this value are subject to customs duties.

Your local Britannia Member will provide you with detailed customs regulations.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and Visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.
