REMOVALS, STORAGE AND INTERNATIONAL SHIPPING

Welcome To Britannia In Argentina

Britannia In Argentina

Britannia can offer you a door to door service to Argentina, and can either ship your effects by sole use container, or for smaller shipments in a wooden crate (LCL). In addition we can offer a door to door airfreight service to some destinations in Argentina. Our agents in Buenos Aires will arrange customs clearance, deliver and unpack the effects, including removal of debris on the day of delivery.

Importing Personal Effects

Returning citizens can import used household goods duty free as long as they have not spent more than 60 days in Argentina in the year before entry, all shipments need a work permit/Visa. Non Citizens can import household goods duty free provided their passport has no exceptions with clear proof of their entries and exits. Your local Britannia Member will provide you with detailed customs regulations.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and Visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Customs Clearance

Due to recent drug's finding that have taken place in Buenos Aires port involving household goods moves, Argentina Customs has informed all operating moving companies that intensive inspections and scanning with X-rays will be preformed on all shipments. Therefore customs clearance times will be extended to approx two weeks and that will entail additional charges. Your local Britannia Member will provide further details about the clearance procedure.

Prohibitions And Restrictions

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Narcotics and dangerous goods
- Objectionable and indecent material

Transit Times

Sole use containers take on average 6-8 weeks. Crated (LCL) consignments may take longer, on average 9-10 weeks. Airfreight consignments will take considerably less time on average, 7-14 working days subject to customs and port clearance.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and will allow Britannia to check the status of your goods in transit.

Additional Services

Britannia can provide a variety of complementary services to make your moving experience as efficient and easy as possible. From International foreign exchange to helping you relocate your family's pets. Motor Vehicles

Argentinean citizens can import vehicles with permanent residence status (one for each member of the family), duty ranges from 79% to 100%. Persons with temporary Visas can import vehicles for the duration of the Visa. The vehicle will be required to be re-exported on completion of the time period stated on the Visa. There is no duty on temporary imports. Your local Britannia Member will be able to assist you further in relation to importing a motor vehicle.
