Welcome to Britannia in Brazil

Britannia in Brazil

Britannia can offer you a door to door service to Brazil, and can either ship your effects by sole use container, or for smaller shipments in a wooden crate (LCL). In addition we can offer a door to door airfreight service to some destinations in Brazil. Our agents in Brazil will arrange customs clearance, and deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Shipments of used household and personal effects can be imported within 180 days of shippers arrival. All new migrants must have the required Visa and CPF (Cadastro De Pessoas Fisicas - Brazilian Social Security Number). All Goods including new items can be imported duty free for the same period as the Visa is valid. Your local Britannia Member will provide you with detailed customs regulations, depending on your personal requirements.

Britannia would like to advise that delays may be incurred at destination due to customs/port clearance. It is not unheard of that additional charges maybe incurred at the time of clearance. Your local Britannia Member will be able to advise further on this.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and Visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Prohibitions and Restrictions

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Objectionable and indecent material
- Jewellery, currency or valuable items

Transit Times

Sole use containers take on average 6-7 weeks. Crated (LCL) consignments may take longer, on average 7-9 weeks. Airfreight consignments will take considerably less time on average, 7-14 working days subject to customs and port clearance.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and will allow Britannia to check the status of your goods in transit.
