REMOVALS, STORAGE AND INTERNATIONAL SHIPPING

Welcome to Britannia in the Malaysia

Britannia in Malaysia

Britannia can offer you a door to door service to Malaysia, and can either ship your effects by shared load (groupage) or by full container load. In addition we can offer a door to door airfreight service to the major destinations in Malaysia. Our agents in Malaysia will arrange customs clearance, and deliver and unpack the effects, including removal of debris on the day of delivery.

Importing Personal Effects

Shipments of used household and personal effects can be imported duty free providing they are owned for longer than six months. All shipments are subject to a full customs inspection and the owner must be present when the goods arrive. Your local Britannia Member will provide you with detailed customs regulations.

All DVD's and Cd's can be subject to censorship through the government film censorship board before release; and all telecommunication equipment (Mobile phones, fax machines, cordless phones etc) require an import permit from Telecom Malaysia before they are imported.

All necessary documentation must be completed and submitted when requested, before your shipment is dispatched. Please note that you must be in the country in order to successfully complete all customs clearance procedures.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Prohibitions and Restrictions

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Offensive material

Transit Times

Groupage or shared containers usually take an average of 8 – 12 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use container loads take on average 5 – 7 weeks door to door.

Tracking Consignments

All Groupage consignments will be barcoded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow us to check the status of your goods while in transit.
